About Us

At Live Free and Run Dog Park we've worked hard to create a place where people and their well-behaved dogs can socialize and exercise in a clean, safe environment. We try hard to develop a beautiful, well-maintained space open to all dog lovers and friends who are willing to uphold the park's rules and restrictions, and to help promote Kingston, NH as a friendly community to live in and visit.

Live Free and Run Dog Park is a volunteer-run, membership only dog park located in Kingston, NH. The park opened in 2008 and has since had more than 500 members register.

The park holds events throughout the year, ranging from Halloween Parties to Park Clean-Up Days. The park is also sprayed periodically for ticks and mosquitoes.

Park Etiquette

A few tips to get you started!

- Always pick up after your dog poops.
- Poop bags are located around the park fence and poop buckets are at the entrance.
- If you see a dog pooping, please alert the owner if they are unaware.
- Regular trash goes in large gray buckets. Please empty drink containers before placing them in the trash.
- If your dog is bothering another dog, please attend to the situation. Get up and go over to the dog and intervene.
- Keep your dog away from the entrance when a new dog arrives, to make sure the new dog is not intimidated.
- If you see another person who is not attentive to their dog's behavior, please speak to them. We are all volunteers; do not rely on someone else to do the right thing.
- There is a smaller dog area at the double entrance, for dogs who need a time out or dogs who need a gentle introduction to the park.
